Dear Parents,

The school year is approaching and our plans are well underway for an exciting and educational year. We will be taking a multi-faceted learning approach in each classroom. We will offer differentiated learning opportunities and appeal to all the learning modalities to ensure each child's individual growth and success. Our integration of various educational philosophies and styles, such as Reggio Emilio and Montessori, allow children to learn and grow at their own level and pace.

Our focus on social-emotional skills and learning through play are combined with well-rounded curriculums, programs and activities for each child. We offer various learning centers that include animals, computers, nature, dramatic play, blocks, library, arts & crafts and housekeeping. We will have weekly specialty activities such as Music & Movement, Zumba, MyGym Fitness and more. We will also enjoy shabbat parties, baking, special guests and theme days throughout the year.

We strive to provide exceptional love and care while maintaining high standards for quality education. It is our mission to provide a safe, nurturing and stimulating environment for your children. Our warm, experienced and dedicated staff will ensure that your child has a positive overall experience including social, emotional, academic and spiritual success. Your child's education and well-being are our top priority.

We look forward to a wonderful year together!

Thank You,

Elana Ochs
Director
